Sample Program: “Leadership Directions”

Target Audience

This program is an example of a program designed for new leaders working through the transition to leadership. The program can be designed for leaders with five years or more experience.

Program Length and Schedule:

Sessions can be scheduled in half or full day sessions based on scheduling needs and number of participants.

The Program Flow

Leadership Directions is designed to provide opportunities to learn and practice skills using real-life situations.

Activities are designed in each session to encourage understanding and preparation for leading successfully. Action plans are designed to help participants continue the learning process beyond the training events.

Develop your supervisors and managers into leaders that will:

- Communicate more effectively with employees
- Increase morale and productivity
- Improve professionalism
- Maximize the strengths of individuals
- Create dynamic teams
- Make a difference!

747CG will customize this program to fit corporate goals.
